

CHRISTMAS GIFT DEADLINE

To ensure that your gift box is received before Christmas make sure to have your order placed before December 14th. Orders placed before December 17th will probably arrive in time for Christmas, but, all it will take is one good snow storm. Any orders we receive after December 17th will have to be express (overnight or 2nd day) in order to arrive on time. Thank you for your orders. Have a Merry Christmas!

WE NOW REQUIRE VISA OR MASTERCARD

YOU CAN ORDER ONLINE

Our entire catalog is now available online including items we can't fit onto this brochure. Please go to www.baumgartnercheese.com to place your order.

ORDER BY MAIL ANYTIME

In addition to operating a popular retail store and tavern, Baumgartner's also can supply you with your favorite bulk cheese by mail. Merely send your order to Baumgartner's Cheese Store. A great gift at Thanksgiving, Christmas, Easter ... or anytime! Just give us a call at (608) 325-6157. We are open 7 days a week, 8:00 a.m. to 11 p.m. We have a bar in connection with the store and serve delicious cheese sandwiches and second best chili. We also have old fashioned soups and hot sandwiches. Featured are the very fine local beers on draft.

WE SHIP YEAR ROUND

We now have insulated packaging and are able to guarantee cheese shipped 2nd day air during the summer. We will always send orders out the Monday after they are received in order to ensure they will not be in transit over a weekend. As always during the winter, weather and UPS's shipping volume can slow packages down.

"In a time when things keep changing every day, it sure is nice to have one place that stays the same."

HOW DO YOU FIND US?

Monroe is a community of 10,000 people located in Green County's rich cheese producing area of southern Wisconsin. It can be reached within an hour's drive from I-90 by exiting at either Beloit or Janesville; a 30-minute drive from Freeport, IL, by traveling Highway 26 and 69 North; less than an hour from Madison by taking Highway 69 South; and a pleasant 60-minute drive from Dubuque, IA, on Highway 11. Once you are here, the Swiss-style front on the downtown square marks your destination.

HOW TO KEEP YOUR CHEESE

Put your cheese on the table at every meal and you will have no problem keeping it fresh. For small amounts and immediate use, Saran Wrap cannot be beaten. Deep freeze works very successfully on large amounts. Wrap cheese as you do meat in heavy freezer paper for long hold freeze. Light plastic is not sufficient. When removed from freezer leave in wrapper and put in coldest part of refrigerator to thaw very slowly. By "slowly", we mean up to 3 days.

For small amounts, cheese can be cut up in chunks or pieces ready to serve. Put in a fruit jar and add 3 to 5 drops of water. Seal jar and put in refrigerator. Do not use more water unless you have a considerable amount of cheese. This method can also be used to moisten cheese that has become rather hard and dry on the outside. Trim away any mold that may have formed.

ALWAYS SERVE CHEESE AT ROOM TEMPERATURE

PRICES ARE SUBJECT TO CHANGE AT ANY TIME. Only those cheeses with prices indicated are on hand at present. Any amount from 2 lbs. up may be ordered. Do not send currency.

Baumgartner's features locally-brewed beers. They are a fine complement to the delicious cheese you will find here.

Baumgartner's is a center of activity all the time but especially during Cheese Days, a colorful festival held the third weekend of September during even-numbered years.
